

REQUEST FOR QUOTATION (RFQ)

Date: 20th March 2026

RFQ Reference: MTK/RFQ/2026/004

Subject: Supply and Delivery of Waste Crusher Machine

1. Background

M-taka Waste Solutions Ltd is a social enterprise advancing circular economy solutions through technology-enabled waste recovery systems. As part of strengthening our material recovery operations in Kisumu, we are seeking to procure a **waste crusher machine** to improve sorting, volume reduction, and value addition of recyclable materials.

2. Scope of Supply

We invite quotations for the supply and delivery of **one (1) waste crusher machine** suitable for processing recyclable materials such as:

- Plastics (PET, HDPE, PP)
- Light metals (e.g., aluminum cans)
- Other non-hazardous recyclable materials

3. Technical Specifications (Minimum Requirements)

Suppliers should propose a machine that meets or exceeds the following:

- **Type:** Industrial waste crusher / shredder
- **Capacity:** Minimum 1,000 kg per day
- **Power Source:** Electric (three phase – specify requirements)
- **Motor Power:** Minimum 5–10 HP (or equivalent)
- **Output Size:** Adjustable particle size (preferred)

- **Blades:** High-strength steel, replaceable
- **Feeding Mechanism:** Manual
- **Safety Features:** Emergency stop, protective guards
- **Frame:** Heavy-duty steel construction
- **Noise Level:** Within acceptable industrial limits

4. Additional Requirements

Suppliers should include:

- Installation and commissioning at Maendeleo Recovery facility (Kisumu)
- Basic operator training for staff
- User manual and maintenance guide
- Warranty (minimum 6–12 months)
- After-sales service and availability of spare parts

5. Quotation Requirements

The quotation should clearly indicate:

- Unit price (inclusive and exclusive of VAT)
- Delivery cost to Kisumu
- Installation cost (if applicable)
- Lead time for delivery
- Technical specifications/brochure
- Warranty details
- Payment terms

6. Supplier Documentation

Suppliers must submit:

- Company profile
- Valid KRA PIN and Tax Compliance Certificate

- Relevant experience or references (if available)

7. Evaluation Criteria

Quotations will be evaluated based on:

- Cost competitiveness
- Compliance with technical specifications
- Durability and efficiency of the machine
- Warranty and after-sales support
- Delivery timeline

8. Submission Instructions

Submit your quotation by **31st March 2026** to:
